SECURITY

COMPANY OVERVIEW

Eagle Shield Security, established in 2014 and headquartered in Muleshoe, Texas, provides comprehensive protective services designed to safeguard people, property, and operations. With leadership comprised of veterans and retired law enforcement professionals, Eagle Shield offers armed and unarmed security, access control, and risk mitigation solutions. Through the Eagle Shield Academy, the company also provides state-certified training programs to ensure operational excellence and compliance. Serving clients across Texas and New Mexico, Eagle Shield Security is dedicated to professionalism, vigilance, and reliability.

PAST PERFORMANCE

Renewable Energy Site Security – Wind & Solar Farms (West Texas)

Provided 24/7 perimeter patrol, access control, and incident response for renewable energy facilities. Reduced on-site incidents by over 80% within six months through proactive security operations.

Gaming & Entertainment Venue Security – Texas Game Rooms

Delivered professional on-site security with a focus on entry screening, crowd control, and compliance. Improved community relations and reduced law enforcement callouts through consistent, professional service.

Critical Infrastructure Security – Wind Energy (New Mexico)

Provided 24/7 armed and unarmed security for remote wind energy facilities, including perimeter patrol, access control, asset protection, and incident response. Reduced on-site security incidents by 80%+ within six months.

Event & Live Entertainment Security (TX & NM)

Delivered crowd control, entry screening, backstage, and restricted-area security for concerts, festivals, and high-attendance events across Texas and New Mexico.

Retail & Commercial Property Security (TX & NM)

Performed uniformed security operations focused on loss prevention, visible deterrence, and incident response for retail and commercial properties in urban and rural environments.

Executive & High-Profile Protection Services (TX & NM)

Provided discreet close protection services for executives, public figures, and high-profile individuals, including advance planning and secure movement. Zero security breaches during active assignments.

Private Investigation & Security Consulting (TX & NM)

Conducted surveillance, background investigations, risk assessments, and court-ready reporting in support of legal, corporate, and private-sector clients.

CORE COMPETENCIES

- **Protective Services:** Armed and unarmed security officers (Levels II–IV) for fixed posts, patrol, and event operations.
- **Access Control & Surveillance:** Entry/edit management, GPS patrol, monitoring, reporting.
- **Training & Certification:** Eagle Shield Academy provides DPS-approved training programs (Levels II–IV), LTC, and firearms instruction.
- **Risk Assessment & Consulting:** Security consulting and compliance advisory for government and private clients.
